

Waffle Bar Success!

The Youth fundraiser on Sunday, January 2 to support the youth attending the Western States Youth Gathering at Cal Lutheran in July 2011 was a success. The Youth made waffles enjoyed by everyone!

Christi Verity played our new grand piano to entertain.

YAL did good!

GRATSI January 23rd

Max Munger delighted the audience with Christmas carols.

Christi played "Name that Hymn" and Jacob Dressler handed out stickers to the winning guessers.

Also on the 23rd following GRATSI was our quarterly Congregational Conversation. Bruce Hansen reminded everyone to pick up a grocery card to direct donations to Advent. Dan Rowland reviewed our financial situation—committee expenses are under budget so our finances are stable. We have paid all local benevolences and approximately 50% of our budgeted Synod contributions.

History & Vision

Pastor Jim Goldsmith led the discussions.

The “decade” tables compile their memories of significant events from their first decade at Advent.

Scribes transferred the key points to flip charts along the walls.

Long Range Planning committee members Jim Pederson, Charlotte Hemker-Smith, Gary Peterson, Rich Evans, Beth Mora and Pastor Olsen will incorporate the information into our final plan. Please see any committee member with questions.
